

To Whom It May Concern:

On June 29, 2007 the American Hotel & Lodging Association (Federal Political Action Committee #C00001198, pacronym: HotelPAC) received two letters from the Federal Election Commission regarding monthly reports M1, M2, M3, and M4. The letters described an error in which the 2007 cash-on-hand did not match the closing calendar year-to-date cash-on-hand amount from 2006. A mistake was made in January of 2007 when filing the M1 report, and the starting balance from 2006 was used as the 2007 starting balance cash-on-hand year-to-date, rather than the closing 2006 balance. The FEC received all required amendments by July 12, 2007. We regret the inconvenience and appreciate the opportunity to rectify our reports.

Please do not hesitate to contact Lisa Costello, HotelPAC Director at 202-289-3124 if you need any further information. Thank you for your assistance this matter.
